

IMSTE A

Indiana Math, Science, Technology, Education Alliance

Visit us on the web at: <http://www.imstea.org>

Membership in IMSTE A is a great way for YOU to help promote the integrated study of Science, Technology, Engineering, and Mathematics for Indiana students! Membership is only \$25 each year. The money is used to help defray the cost of the Super Mileage Challenge and other IMSTE A activities, such as free student memberships, and conferences on programs in integrated math, science, engineering, and technology education. We can't do it without your help!

IMSTE A is a non-profit, all volunteer organization recognized under section 501(c)(3) of the IRS tax code and by the State of Indiana.
